FirstEnergy Solutions Corp., and its debtor affiliates, as debtors and debtors in possession (collectively, the “Debtors”) in the above captioned chapter 11 cases, file this application (the “Application”) for entry of an order, substantially in the form of **Exhibit A** (the “Retention Order”) to employ and compensate Middle River Power, LLC, (“Middle River”) pursuant to sections 105(a), 327(a) and 328(a) of the United States Bankruptcy Code (the “Bankruptcy Code”), Rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 2016-1 of the United States Bankruptcy Court Northern District of Ohio Local Rules (the “Local Rules”) to provide Consulting Services (as defined below) to the Debtors, effective as of November 1, 2018. In support of this Application, the Debtors refer to and rely upon the *Declaration of James Suehr in Support of Debtors’ Application for Appointment of Middle River Power, LLC as Technical Advisor Effective November 1, 2018* (the “Suehr Declaration”) attached hereto as **Exhibit B**.

18-50757-amk Doc 1876 FILED 12/21/18 ENTERED 12/21/18 12:48:00 Page 1 of 11

JURISDICTION AND VENUE

1. This Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334. Consideration of this Application is a core proceeding under 28 U.S.C. § 157(b)(2).
2. Venue is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409.
3. The statutory bases for the relief requested herein are Sections 105(a), 327(a) and 328(a) of the Bankruptcy Code.

BACKGROUND

4. On March 31, 2018 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code.
5. The Debtors continue to manage their business as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. These cases are being jointly administered.
6. A detailed description of Debtors’ business, capital structure, and events leading to the chapter 11 cases is fully set forth in the *Declaration of Donald R. Schneider in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”)² [Docket No. 55] and is incorporated herein by reference.
7. On April 12, 2018, the United States Trustee for the Northern District of Ohio (the “U.S. Trustee”) appointed the Official Committee of Unsecured Creditors (the “Committee”) [Docket No. 279]. A fee examiner was appointed on July 20, 2018 [Docket No. 1009].

² Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the First Day Declaration.

RELIEF REQUESTED

8. By this Application, the Debtors seek to employ and retain Middle River pursuant to section 327(a) and 328 of the Bankruptcy Code and Bankruptcy Rule 2014(a) as a consultant to the Debtors in this Case.

RETENTION OF MIDDLE RIVER

9. The Debtors seek to retain Middle River because of its extensive experience managing power generation assets in the United States. The Debtors believe Middle River is both well qualified and able to assist the Debtors in executing on their operational restructuring goals in these chapter 11 proceedings in an efficient and timely manner.

10. By way of that certain *Engagement of Middle River Power, LLC* dated July 9, 2018, as amended by the *First Amendment to Engagement Letter* dated August 10, 2018, the ad hoc group of holders of pollution control revenue bonds supported by notes issued by FirstEnergy Generation, LLC, FirstEnergy Nuclear Generation, LLC and certain unsecured notes issued by FirstEnergy Solutions Corp. (collectively, the “Ad Hoc Noteholder Group”) previously engaged Middle River to provide consulting services related to the management of the Debtors’ operational assets. Specifically, Middle River was engaged by the Ad Hoc Noteholder Group to analyze four key operational areas in order to assess the risks and opportunities for a future business plan for the Debtors’ reorganized businesses, and to make recommendations with respect to the Debtors’ operations. These areas included: (1) environmental; (2) operations and maintenance; (3) fuel supply and commercial dispatch; and (4) shared services support functions. Middle River’s analyses and work product was shared with the Debtors, as well as with the Committee.

11. Through its prior engagement by the Ad Hoc Noteholder Group, Middle River has developed a great deal of institutional knowledge regarding the Debtors’ operations and

assets, which experience and knowledge will be valuable to the Debtors in their efforts to reorganize. This work was not adverse to the Debtors. Rather, the Debtors believe that retaining Middle River to assist in the implementation of the recommendations made by Middle River in their prior engagement will be beneficial to the Debtors' estates and their restructuring efforts.

12. The retention of Middle River by the Ad Hoc Noteholder Group formally concluded on October 31, 2018 and the retention by the Debtors commenced on November 1, 2018. In preparation for this transition, the Debtors discussed the arrangement with the Ad Hoc Noteholder Group, the Committee and the Mansfield Certificateholders Group to ensure that this retention received their approval. The Ad Hoc Noteholder Group has agreed to waive any objection to the engagement of Middle River based on a conflict of interest or duties owing to the Ad Hoc Noteholder Group under their prior engagement of Middle River. However, the Ad Hoc Noteholder Group, the Committee and the Mansfield Certificateholders Group reserved the right to object to the Debtors' engagement of Middle River on any other basis. Additionally, the Debtors discussed the potential retention of Middle River by the Debtors with the U.S. Trustee, and provided information in response to questions from the U.S. Trustee. As of the date of this Application, the U.S. Trustee indicated that it did not have an objection to the Debtors' retention of Middle River, subject to further review of Middle River's retention application and supporting documentation.

13. Accordingly, the Debtors wish to retain Middle River to provide assistance during these chapter 11 cases, as further set forth in the engagement letter between the parties (the "Engagement Letter") which is attached to the Suehr Declaration as Exhibit 1.

14. To the best of the Debtors' knowledge, Middle River and all its employees are "disinterested persons" as that term is defined in Bankruptcy Code section 101(14), and neither Middle River nor any of its professionals holds any interest materially adverse to the estates.

15. To the best of the Debtors' knowledge, Middle River has no connection with any Debtor, creditors, other parties-in-interest, or their attorneys or accountants, except with respect to the now-concluded engagement by the Ad Hoc Noteholder Group, and as otherwise set forth in this Application, the Suehr Declaration, or in matters unrelated to the Debtors or the cases.

SERVICES TO BE PROVIDED BY MIDDLE RIVER

16. The Debtors seek to retain Middle River to conduct certain operational advisory services including:

- working with the Debtors' management to negotiate fuel supply agreements across the fossil fleet;
- improving on existing plant business plans, including developing forced outage rate targets and related maintenance and capital spending plans;
- identifying opportunities to outsource existing shared services functions and implement cost reductions; and
- assisting in the transfer and integration of the Pleasants plant, to the extent the Debtors determine to take ownership of the facility (collectively, the "Consulting Services").³

17. The Debtors believe that the employment of Middle River is in the best interest of the Debtors and their creditors.

18. Middle River will submit time records in a summary format which shall set forth a description of the services and the amount of time spent on each date by each professional in rendering services on behalf of the Debtors.

19. Middle River has agreed not to share with any person the compensation to be paid for services rendered in connection with these cases.

³ Middle River will also provide services as a declarant in making factual statements in motions in connection with the Pleasants plant and other of FES's assets.

DISINTERESTEDNESS

20. Middle River conducted a review of its professional contacts for all entities listed on Exhibit 2 to the Suehr Declaration. Middle River's review consisted of queries of an internal computer database containing the names of individuals and entities that are present, or recent and former, clients of Middle River in order to identify potential relationships. A summary of such relationships that Middle River was able to locate using its reasonable efforts is reflected in Exhibit 3 to the Suehr Declaration.

21. Middle River has provided, may continue to provide, and previously received services unrelated to the cases for the various entities shown on Exhibit 3 to the Suehr Declaration. Middle River's assistance to these parties is primarily related to various consulting services. While Middle River has provided consulting services to creditors in these cases, including the Ad Hoc Noteholder Group, such services do not preclude appointment of Middle River absent an actual conflict of interest. 11 U.S.C. § 327(c). As noted above, Middle River is no longer performing consulting services to any creditors or other parties in interest in these cases with respect the chapter 11 cases or related to the Debtors. Further, such services were not adverse to the Debtors, their creditors or any stakeholder in these cases, and the work product created by Middle River under that prior engagement was shared with the Debtors and the Committee.

22. While the Bankruptcy Code does not define what constitutes an actual conflict of interest, Courts have held an actual conflict of interest is synonymous with an "interest adverse to the estate" as defined in section 327(a) of the Bankruptcy Code. *In re Midway Motor Sales, Inc.*, 355 B.R. 26, 33 (Bankr. N.D. Ohio 2006). In this instance, the Ad Hoc Noteholder Group does not object to the retention of Middle River. Thus, Middle River does not have an actual conflict of interest if it does not hold or represent an interest adverse to the estate.

23. Based on the results of the relationship analysis conducted to date as described above, Middle River appears to have no connection with the Debtors, their creditors, other parties-in-interest (as reasonably known to Middle River) or their respective attorneys, except as disclosed in the Suehr Declaration or otherwise described herein. Further, no one involved in these cases or in Middle River has any connection to the U.S. Trustee or any person employed in the Office of the U.S. Trustee in this District.

24. Additionally, Middle River is not a “creditor” of the Debtors within the meaning of Bankruptcy Code section 101(10). As such, Middle River is a “disinterested person” as that term is defined in Bankruptcy Code section 101(14), as modified by Bankruptcy Code section 1107(b), in that Middle River and its employees: (a) are not creditors, equity security holders, or insiders of the Debtors; and (b) were not, within two (2) years before the Petition Date, a director, officer or employee of the Debtors.

25. Further, based upon the results of the relationship search described above, Middle River neither holds nor represents an interest adverse to the Debtors within the meaning of section 327(a) of the Bankruptcy Code.

26. As more fully set out in the Suehr Declaration, Middle River is owned by Avenue Capital Group (“Avenue”), which manages certain investment funds that are creditors and secured lienholders in these cases. Middle River’s relationship with Avenue does not create an interest adverse to Debtors because of the relationship between Middle River and Avenue and the nature of the Consulting Services.

27. Specifically, this proposed engagement is only between Middle River and Debtors, not Avenue. No employee of Middle River is also an employee of Avenue, and no employee of Avenue is an employee of Middle River. Further, out of an abundance of caution, Middle River will institute a wall between Middle River and Avenue so that no employees of

Avenue will be able to access any information Middle River gains as a result of its retention by the Debtors. Middle River will not share information it gains as a result its retention with Debtors to Avenue, the Ad Hoc Noteholder Group, or any other party.

28. Importantly, the Debtors believe that Middle River's previous experience in these cases make it uniquely qualified to provide the Consulting Services.

29. It is Middle River's intent to update and expand its ongoing relationship search for additional parties in interest during the course of its representation of the Debtors. If any new relevant facts or relationships are discovered or arise, Middle River will promptly file a Bankruptcy Rule 2014(a) Supplemental Declaration.

TERMS OF RETENTION

30. The Debtors understand that Middle River intends to apply to this Court for allowances of compensation and reimbursement of expenses for consulting services in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the *Order Establishing Procedures for Interim Compensation and Reimbursement for Professionals* (the "Interim Compensation Order") [Docket No. 427], the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013*, and the *United States Bankruptcy Court for the Northern District of Ohio Guidelines for Compensation and Reimbursement of Professionals*.

31. In consideration of the Consulting Services, Debtors and Middle River negotiated a fee of \$300,000.00 per month (based on a 30 calendar day month) for Middle River's performance of the Consulting Services (the "Consulting Fee"). Middle River's engagement will be for an initial minimum term of 90 days, and thereafter may be terminated by the Debtors upon 30 days' advance written notice.

32. The Debtors believe a monthly fee structure for the Consulting Services, in lieu of an hourly fee structure, will result in advantages to the Debtors' estates by providing clarity around the costs of the Consulting Services, as opposed to an hourly fee approach.

33. In addition to the rates set forth above, the Debtors and Middle River have agreed that the Debtors shall reimburse Middle River for its reasonable and documented out-of-pocket expenses incurred in connection with Middle River's performance of the Consulting Services.

34. As the Consulting Fee is a monthly fee, the Debtors request that the Bankruptcy Court modify certain requirements established by the Bankruptcy Code, the Bankruptcy Rules, the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013*, and the *United States Bankruptcy Court for the Northern District of Ohio Guidelines for Compensation and Reimbursement of Professionals.*, and Local Rule 2016-1 such that Middle River shall not be required to keep contemporaneous time records for the services it performs.

BASIS FOR RELIEF REQUESTED

35. The Debtors seek authority to employ and retain Middle River under section 327 of the Bankruptcy Code, which provides that a debtor is authorized to employ professional persons "that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the [Debtors] in carrying out their duties under this title." 11 U.S.C. § 327(a).

36. The Debtors seek approval of the Consulting Fee and the Engagement Letter pursuant to section 328(a) of the Bankruptcy Code, which authorizes the employment of a professional person "on any reasonable terms and conditions of employment, including on a retainer . . ." 11 U.S.C. § 328(a). Section 328 permits the compensation of professionals on more flexible terms that reflect the nature of their services and market conditions.

37. Furthermore, under the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, certain modifications were made to section 328(a) of the Bankruptcy Code, which now provides as follows:

The trustee, or a committee appointed under section 1102 of this title, with the court's approval, may employ or authorize the employment of a professional person under section 327 or 1103 of this title, as the case may be, on any reasonable terms and conditions of employment, including on a retainer, on an hourly bases, on a fixed percentage fee basis, or on a contingent fee basis.

38. 11 U.S.C. § 328(a). Section 328(a) of the Bankruptcy Code, as amended, makes clear that debtors may retain, subject to bankruptcy court approval, professionals on a fixed fee basis. Additionally, as indicated above, notwithstanding their retention pursuant to section 328(a) of the Bankruptcy Code, Middle River intends to submit applications for payment of compensation in these chapter 11 cases.

NO PRIOR REQUEST

39. No prior request for the relief sought in this Application has been made to this or any other Court in connection with these Chapter 11 cases.

WHEREFORE, the Debtors respectfully request entry of an order, substantially in the form attached hereto as **Exhibit A**, granting the relief requested herein and granting such other relief as is just and proper.

Dated: December 21, 2018

Respectfully submitted,

/s/ Bridget A. Franklin

Exhibit A

Proposed Retention Order

)	Chapter 11
In re:)	
)	Case No. 18-50757
FIRSTENERGY SOLUTIONS CORP., <i>et al.</i> , ¹)	(Jointly Administered)
)	
Debtors.)	
)	Hon. Judge Alan M. Koschik
)	

Upon the application (the “Application”)² [Docket No. ___] of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) for retention and appointment of Middle River Power, LLC (“Middle River”) as technical advisor pursuant to sections 327(a) and 328(a) of the Bankruptcy Code (the “Bankruptcy Code”), Rules 2014(a) and 2016(a) of the Federal Rules of Bankruptcy Procedure the (“Bankruptcy Rules”), and Local Rule 2016-1; and the Court having jurisdiction to consider the Application and relief requested therein pursuant to 28 U.S.C. §§ 157 and 1334; and consideration of the Application and the relief requested therein being a core proceeding in accordance with 28 U.S.C. § 157(b)(2); and venue being proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409; and a hearing having been held to consider the relief requested in the Application; and upon the Suehr Declaration submitted in support of the Application; and the Court being satisfied that Middle River has the capability and experience to provide such services and that Middle River does not hold an interest adverse to the Debtors or the

² Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Application.

estates respecting the matters upon which it is to be engaged; and good and sufficient notice of the Application having been given and no other or further notice being required; and sufficient cause appearing therefor; it is HEREBY ORDERED THAT:

1. Notwithstanding the terms of the Engagement Letter attached to the Application, the Application is approved solely as set forth in this Order.

2. The Debtors are authorized to retain Middle River as operational advisor effective as of November 1, 2018, under the terms of the Engagement Letter annexed as **Exhibit 1** to the Suehr Declaration, and Middle River is authorized and directed to perform advising services and all related tasks, as described in the Application and the Engagement Letter.

3. Middle River shall file interim and final fee applications for the allowance of compensation for services rendered and reimbursement of expenses incurred in accordance with sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, any applicable orders of this Court, and the Fee Guidelines. Notwithstanding anything to the contrary herein, Middle River shall be entitled to reimbursement for the actual and reasonable costs of meals and transportation to or from the office for employees required to work after business hours and during the weekend in connection with the chapter 11 cases, subject to approval by the Court.

4. Middle River will submit time records in a summary format which shall set forth a description of the services and the amount of time spent on each date by each professional in rendering services on behalf of the Debtors.

5. The Engagement Letter is incorporated herein by reference and approved in all respects as modified herein.

6. If Middle River seeks reimbursement for attorney's fees pursuant to the terms of the Engagement Letter, the invoices and supporting time records for such attorneys shall be included in Middle River's own application and such invoices and time records shall be subject to

(i) the guidelines promulgated by the U.S. Trustee for compensation and reimbursement of expenses and (ii) approval by the Bankruptcy Court under sections 330 and 331 of the Bankruptcy Code. Notwithstanding the foregoing, Middle River shall only be reimbursed for any legal fees incurred in connection with these chapter 11 cases to the extent permitted under applicable law and the decisions in this District.

7. The Debtors shall be bound by the indemnification, contribution, reimbursement, exculpation, and other provisions of the Engagement Letter, and will indemnify and hold harmless Middle River and its affiliates, and its and their respective directors, officers, members, agents, employees, and controlling persons, and each of their respective successors and assigns (collectively, the “Indemnified Parties”), pursuant to the terms of the Engagement Letter and, during the pendency of these chapter 11 cases, subject to the following conditions:

- (a) subject to the provisions of subparagraphs (b) and (c) below, the Debtors are authorized to indemnify, and to provide contribution and reimbursement to, and shall indemnify, and provide contribution and reimbursement to, the Indemnified Parties in accordance with the Engagement Letter for any claim arising from, related to, or in connection with the services provided for in the Engagement Letter;
- (b) notwithstanding subparagraph (a) above or any provisions of the Engagement Letter to the contrary, the Debtors shall have no obligation to indemnify an Indemnified Party or provide contribution or reimbursement to an Indemnified Party (i) for any claim or expense that is judicially determined (the determination having become final) to have arisen from such Indemnified Person’s bad faith, self-dealing, breach of fiduciary duty (if any), gross negligence, or willful misconduct, (ii) for a contractual dispute in which the Debtors allege the breach of Middle River’s contractual obligations if the Court determines that indemnification, contribution, or reimbursement would not be permissible pursuant to In re United Artists Theatre Co., 315 F.3d 217 (3d Cir. 2003), or (iii) for any claim or expense that is settled prior to a judicial determination as to the exclusions set forth in clauses (i) and (ii) above, but determined by this Court, after notice and a hearing pursuant to subparagraph (c) *infra*, to be a claim or expense for which such Indemnified Party should not receive indemnity, contribution or reimbursement under the terms of the Engagement Letter, as modified by this Order; and

- (c) if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in the Debtors' cases (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing the Debtors' chapter 11 cases, Middle River believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution and/or reimbursement obligations under the Engagement Letter, as modified by this Order, including without limitation the advancement of defense costs, Middle River must file an application therefore in this Court, and the Debtors may not pay any such amounts to Middle River before the entry of an order by this Court approving such payment. This subparagraph (c) is intended only to specify the period during which the Court shall have jurisdiction over any request by Middle River for indemnification, contribution or reimbursement and is not a provision limiting the duration of the Debtors' obligation to indemnify.

8. The Debtors and Middle River are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Application.

9. Notwithstanding any term in the Engagement Letter to the contrary, the Court retains jurisdiction with respect to all matters arising from or related to the implementation of this Order.

10. Notwithstanding any provision in the Bankruptcy Rules to the contrary, this Order shall be immediately effective and enforceable upon its entry.

11. Notice of the Application as provided therein shall be deemed good and sufficient notice of such Application and the requirements of Bankruptcy Rule 6004(a) and the Local Rules of the United States Bankruptcy Court for the Northern District of Ohio are satisfied by such notice.

12. In the event of any inconsistency between the Engagement Letter, the Application and the Order, the Order shall govern.

**DECLARATION OF JAMES SUEHR IN SUPPORT OF DEBTORS' APPLICATION
FOR APPOINTMENT OF MIDDLE RIVER POWER, LLC AS TECHNICAL ADVISOR
EFFECTIVE AS OF NOVEMBER 1, 2018**

I, James Suehr, declare, under penalty of perjury, in accordance with 28 U.S.C. § 1746 that:

1. I am the Chief Financial Officer of Middle River Power LLC, ("Middle River"), a private equity sponsored investment and asset management platform focused on power generation assets in the United States. I submit this Declaration (the "Declaration")² on behalf of Middle River in connection with the proposed retention of Middle River as technical advisor to the above captioned debtors and debtors-in-possession (the "Debtors"), as set forth in the *Application of Debtors for Appointment of Middle River Power, LLC as Technical Advisor to the Debtors*

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: FE Aircraft Leasing Corp. (9245), case no. 18-50759; FirstEnergy Generation, LLC (0561), case no. 18-50762; FirstEnergy Generation Mansfield Unit 1 Corp. (5914), case no. 18-50763; FirstEnergy Nuclear Generation, LLC (6394), case no. 18-50760; FirstEnergy Nuclear Operating Company (1483), case no. 18-50761; FirstEnergy Solutions Corp. (0186), and Norton Energy Storage L.L.C. (6928), case no. 18-50764. The Debtors' address is: 341 White Pond Dr., Akron, OH 44320.

² All capitalized terms used herein but not defined shall have the meanings given them in the Application.

Effective as of November 1, 2018 (the “Application”). Except as otherwise noted, I have personal knowledge of the matters set forth herein.³

Disinterestedness and Eligibility

2. In connection with the preparation of this Declaration, Middle River conducted a review of its contacts with the Debtors, and the parties in interest in these chapter 11 cases known to Middle River. A list of the parties reviewed is attached as Exhibit 2 to this Declaration. Middle River’s review, completed under my supervision, consisted of a query of the Exhibit 2 parties against Middle River’s ownership, subsidiaries, and within an internal computer database containing names of individuals and entities that are present or recent former clients of Middle River.

3. Based on the results of Middle River’s review, it was determined that Middle River does have, or has had, relationships with certain Exhibit 2 parties. Middle River’s connections with certain Exhibit 2 parties are presented in Exhibit 3 of this Declaration. Except as otherwise discussed in this Declaration, Middle River’s relationships to these parties are unrelated to these proceedings. Middle River may continue to provide or receive services unrelated to the Case for various entities shown on Exhibit 3. Middle River’s assistance to these parties is related to providing various consulting services. Except as otherwise discussed in this Declaration, to the best of my knowledge, no services have been provided to these parties in interest which involves their rights in these chapter 11 cases, nor does Middle River’s involvement in these chapter 11 cases compromise its ability to continue such services.

³ Certain of the disclosures herein relate to matters within the personal knowledge of other professionals at Middle River and are based on information provided by them.

4. Middle River is owned by Avenue Capital Group (“Avenue”), which manages certain investment funds that are creditors and secured lienholders in these chapter 11 cases. To the best of my knowledge based upon an examination of publicly available information with respect to the Case, the funds under Avenue’s management hold the following interests:

- a) \$35,054,000 face amount of the 6.05% FED Unsecured Notes Due 2021
- b) \$90,750,000 face amount of the 6.8% FES Unsecured Notes Due 2039
- c) \$34,500,00 face amount of the 3.75% Unsecured Notes due 2023
- d) \$18,095,000 face amount of the 3.1% FG Unsecured Notes Due 2023
- e) \$5,000,000 face amount of the 3.0% FG Unsecured Notes Due 2019
- f) \$1,000,000 face amount of the 3.75% FG Unsecured Notes Due 2040
- g) \$4,750,000 face amount of the 5.7% FG Unsecured Notes Due 2020
- h) \$10,800,000 face amount of the 2.7% NG Unsecured Notes Due 2035
- i) \$4,000,000 face amount of the 4.0% NG Unsecured Notes Due June 2033
- j) \$25,555,000 face amount of the 4.0% NG Unsecured Notes Due December 2033
- k) \$30,000,000 face amount of the 3.5% NG Unsecured Notes Due 2035
- l) \$58,555,000 face amount of the 3.75% NG Unsecured Notes Due 2033
- m) \$2,190,000 face amount of the 4.0% NG Unsecured Notes Due 2034
- n) \$93,728,000 face amount of the 6.85% Mansfield Notes Due 2034

5. However, based on our current knowledge of the relationship between Avenue and the Debtors, and to the best of my knowledge, this relationship does not create an interest materially adverse to the Debtors in matters upon which Middle River is to be employed.

6. Middle River was previously engaged by the Ad Hoc Noteholder Group (as defined in the Application), to provide consulting services related to the management of the Debtors' business. However, based on our current knowledge of the relationship between the Ad Hoc Noteholder Group and the Debtors, and to the best of my knowledge, this relationship does not create an interest materially adverse to the Debtors in matters upon which Middle River is to be employed. Furthermore, the Ad Hoc Noteholder Group has agreed to waive any objection to the engagement of MRP based on a conflict of interest or duties owing to the Ad Hoc Noteholder Group under their prior engagement of MRP. However, the Ad Hoc Noteholder Group, the Committee and the Mansfield Certificateholders Group reserved the right to object to the Debtors' engagement of MRP on any other basis.

7. Middle River's relationships with Avenue and the Ad Hoc Noteholder Group do not create an interest materially adverse to the estates because it will be retained to provide the Consulting Services related to the topics outlined in the Application. To the best of my knowledge, these Consulting Services involve the operation of the Debtors' business and do not directly affect their relationship with their creditors. Further, the Debtors and Committee agree Middle River's previous experience in this Case make it uniquely qualified to provide the Consulting Services listed in the Application.

8. To the best of my knowledge, no employee of Middle River is also an employee of Avenue and no employee of Avenue is also an employee of Middle River.

9. Further, Middle River will institute a wall between Middle River and Avenue so that no employees of Avenue will be able to access any information Middle River gains as a result of its retention with Debtors. Middle River will not share information it gains as a result its retention with Debtors to Avenue, the Ad Hoc Noteholder Group, or any other party.

10. None of the parties identified in Exhibit 3 generated more than one percent of Middle River Power's gross revenue during the 12 month period preceding this Declaration.

11. Middle River Power is not a "Creditor" of the Debtors within the meaning of Bankruptcy Code section 101(10). Further, neither I nor any other Middle River officer or employee, to the best of my knowledge is a holder of any shares of any Debtors' ownership equity.

12. Further, to the best of my knowledge, no officer or employee within Middle River generally has any connection to the U.S. Trustee, any person employed in the Office of the U.S. Trustee, or any person employed in the Office of the U.S. Trustee in this District.

13. As such, to the best of my knowledge, Middle River is a "disinterested person" as that term is defined in Bankruptcy Code section 101(14) as modified by Bankruptcy Code section 1107(b), in that Middle River:

- a) Is not a creditor, equity security holder or insider of the Debtors; and
- b) Was not, within two (2) years before the Petition Date, a director, officer or employee of the Debtors.

14. In addition, to the best of my knowledge and based upon the results of the relationship search described above and disclosed herein, Middle River neither holds nor represents an interest adverse to the Debtors within the meaning of Bankruptcy Code section 327(a).

15. It is Middle River's intent to update and expand its ongoing relationship search for additional parties in interest in an expedient manner. If any new material facts or relationships are discovered or arise, Middle River will promptly file a Supplemental Declaration pursuant to Bankruptcy Rule 2014(a).

Terms of Retention and Professional Compensation

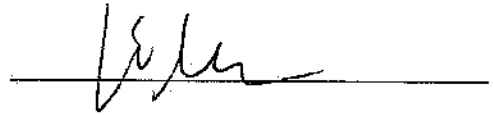

16. The Debtors wish to retain Middle River to provide assistance during these chapter 11 cases, as further set forth in the engagement letter between the parties (the “Engagement Letter”) which is attached hereto as Exhibit 1.

17. Subject to Court approval and in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the *United States Bankruptcy Court for the Northern District of Ohio Guidelines for Compensation and Reimbursement of Professionals* and the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013* and the local rules of this District, in consideration of the Consulting Services, Debtors and Middle River negotiated a fee of \$300,000.00 per month (based on a 30 calendar day month) for Middle River’s performance of the Consulting Services (the “Consulting Fee”). Middle River’s engagement will be for an initial minimum term of 90 days, and thereafter may be terminated by Debtors upon 30 days advance written notice.

18. In addition to the rates set forth above, the Debtors and Middle River have agreed that the Debtors shall reimburse Middle River for its reasonable and documented out-of-pocket expenses incurred in connection with Middle River’s performance of the Consulting Services.

19. To the best of my knowledge, (a) no commitments have been made or received by Middle River, nor any employee thereof, with respect to compensation or payment in connection with this Case other than in accordance with the provisions of the Bankruptcy Code and (b) Middle River has no agreement with any other entity to share with such entity any compensation received by Middle River in connection with this Case.

Engagement Letter

December 20, 2018

FirstEnergy Solutions Corp.
c/o Akin Gump Strauss Hauer & Feld LLP
One Bryan Park
New York, NY 10036

Re: First Energy Solutions Corp. Engagement of Middle River Power, LLC

This engagement letter confirms that FirstEnergy Solutions Corp. (“**FES**” and along with its affiliates that are chapter 11 debtors in the jointly administered cases of FES, collectively, the “**Client**”) have engaged Middle River Power, LLC, a Delaware limited liability company (“**MRP**”) as technical advisor to perform the services described below.

Scope of Services

MRP is hereby engaged effective as of November 1, 2018 by the Client to perform the services set forth on Exhibit A attached hereto (the “**Services**”).

Deliverables

MRP expects to provide the Client with certain written material prepared for and delivered to the Client under this engagement letter (“**deliverables**”) as described on Exhibit A.

The Client will own all deliverables except as follows: MRP will own its working papers, pre-existing materials and any general skills, know-how, processes, or other intellectual property which MRP may have discovered or created as a result of the Services. The Client has a nonexclusive, non-transferable license to use such materials included in the deliverables for its own internal use as part of such deliverables.

In addition to deliverables, MRP may develop electronic materials (including spreadsheets, documents, databases and other tools) to assist MRP with the Services (the “**Electronic Materials**,” and with the deliverables, the “**Work Product**”). Any Work Product made available to the Client is provided “as is” and use of these materials is at such receiving party’s own risk.

200 W. Madison Street • Suite 3810 • Chicago, IL • 60606

12269654.5

Use of Deliverables and Services

MRP is providing the Services and Work Product solely for the Client's internal use and benefit. Except as provided herein, the Services and deliverables are not for a third party's use, benefit or reliance, and MRP disclaims any contractual or other responsibility or duty of care to others based upon these Services or deliverables provided. Except as provided herein, the Client shall not discuss the Services with or disclose the Work Product to any third party, or otherwise disclose the Services or deliverables without MRP's prior written consent.

MRP shall: (i) use reasonable best efforts to provide notice to Client (and its legal and financial advisors) with respect to its diligence, informational, or similar meetings, calls, or sessions, in relation to the Services; (ii) respond to all reasonable requests from the Client (or its legal and financial advisors) for further analyses, and (iii) be available for calls and/or meetings with the Client (and its legal and financial advisors) to explain its findings and analyses.

Client shall advise in writing each of its third-party professional advisors (including accountants, attorneys, financial and other advisors) that will be viewing or using any Work Product: (i) that MRP did not perform the Services or prepare deliverables for such advisors' use, benefit or reliance and MRP assumes no duty, liability or responsibility to such advisors, and (ii) to not disclose the Services or deliverables to any other party without MRP's prior written consent.

Confidentiality

MRP agrees to be bound by the terms of that certain Confidentiality Agreement dated as of June 18, 2018, in respect of providing the Services. For the avoidance of doubt, MRP, and the professionals to the Client may share and discuss the Work Product subject to their respective confidentiality agreements.

MRP Responsibilities

MRP will perform the Services in accordance with Prudent Industry Practices. "Prudent Industry Practices" means the practices that would be applied in the ordinary course of business by a prudent asset manager in the independent power business while exercising the degree of skill and good faith judgment commensurate with that normally exercised by asset managers in advising the owners of similarly situated facilities in the United States at the relevant time, in each case with the exercise of commercially reasonable judgment in light of the facts known at the time. Prudent Industry Practices are intended to include a spectrum of possible practices, methods or acts generally acceptable during the relevant period in light of the circumstances. A practice may be affected by the design and operational characteristics of a facility, and other circumstances affecting a facility or any portion thereof.

In performance of the Services, MRP may engage certain third parties, provided, however, that prior to engaging a third party service provider for which MRP would seek reimbursement as a third party expense under the "Fees and Expenses" paragraph, MRP will provide the Client with notice of such third party and the projected expenses of such third party. If such projected expenses for a particular third party exceed the sum of \$20,000.00, MRP will obtain the written consent from the Client (which may be in the form of an email) to such engagement.

Responsibilities of the Client

MRP's role is advisory only. The Client is responsible for all management functions and decisions relating to this engagement, including evaluating and accepting the adequacy of the scope of the Services. Performance of the Services is conditioned upon timely, accurate and complete information and reasonable assistance by the Client, and MRP will perform the engagement on that basis.

Upon commencement of the Services, the Client will provide MRP with a representative point of contact. MRP may rely upon the consents, communications, and instructions of such point of contact until and unless it is advised in writing that such individual is no longer the point of contact and representative for the Client.

Fees and Expenses

In consideration of the Services, the Client will pay MRP a monthly fee (based upon a thirty (30) calendar day month) in the amount set forth on Exhibit A. Such monthly fee will be prorated, based upon a thirty (30) day month, for the number of calendar days elapsed, during the period of time from the date hereof through conclusion of the Services. MRP will invoice the Client for such monthly fees in arrears.

MRP also will bill the Client for MRP's reasonable out-of-pocket expenses, including use of third party consultants. Invoices will be sent via email to the Client and the office of the United States Trustee for Region 9, the Northern District of Ohio (Cleveland). Invoices are due within fifteen (15) calendar days of the invoice date.

Termination and Dispute Resolution

MRP requires a minimum of a ninety (90) day engagement. Following the initial ninety (90) day engagement, either the Client or MRP may terminate the Services upon thirty (30) days' written notice to the other party.

This engagement letter and any dispute relating to the Services will be governed by and construed, interpreted and enforced in accordance with the laws of the State of New York, without giving effect to any provisions relating to conflict of laws that require the laws of another jurisdiction to apply.

Certain Disclaimers and Indemnity.

MRP will be entitled to rely, without further independent verification, on the accuracy and completeness of all publicly available information and information that is furnished by or on behalf of the Client and otherwise reviewed by MRP in connection with the Services. MRP acknowledges and agrees that MRP is not responsible for the accuracy or completeness of such information and shall not be responsible for any inaccuracies or omissions therein. MRP is under no obligation to update data submitted to it or to review any other areas unless specifically requested by the Debtor to do so.

Client understands that the Services may include the preparation of projections and other forward-looking statements, and numerous factors can affect the actual results of Client's operations, which may materially and adversely differ from those projections.

MRP does not make any representations or guarantees as to any particular outcomes, or that any given recommendation or proposed course of action will be more successful than all other possible proposals or strategic alternatives. Furthermore, MRP does not assume any responsibility for the Client's decision to pursue, or not pursue any business strategy, or to effect, or not to effect any transaction.

Subject to the terms of the bankruptcy court order approving MRP's retention, the Client agrees to indemnify and hold harmless MRP, its non-owner affiliates and their respective managers, employees, agents, representatives and subcontractors (each, an "Indemnified Party" and collectively, the "Indemnified Parties") against any and all losses, claims, damages, liabilities, penalties, obligations and expenses, including the costs for counsel or others in investigating, preparing or defending any action or claim, whether or not in connection with litigation in which any Indemnified Party is a party, or enforcing this engagement letter (including these indemnity provisions), as and when incurred, caused by, relating to, based upon or arising out of (directly or indirectly) the Indemnified Parties' acceptance of or the performance or non-performance of their obligations under this engagement letter; provided, however, such indemnity shall not apply to any such loss, claim, damage, liability or expense to the extent it is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) to have resulted primarily and directly from such Indemnified Party's gross negligence or willful misconduct. The Client also agrees that (a) no Indemnified Party shall have any liability (whether direct or indirect, in contract or tort or otherwise) to the Client for or in connection with the engagement of MRP, except to the extent that any such liability for losses, claims, damages, liabilities or expenses are found in a final judgment by a court of competent jurisdiction (not subject to further appeal) to have resulted primarily and directly from such Indemnified Party's gross negligence or willful misconduct and (b) in no event will any Indemnified Party have any liability to the Client for special, consequential, incidental or exemplary damages or loss (nor any lost profits, savings or business opportunity). The Client further agrees that it will not, without the prior consent of an Indemnified Party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which such Indemnified Party seeks indemnification hereunder (whether or not such Indemnified Party is an actual party to such claim, action, suit or proceedings) unless such settlement, compromise or consent includes an unconditional release of such Indemnified Party from all liabilities arising out of such claim, action, suit or proceeding.

Other Matters

For a period of fifteen (15) months after the date hereof, the Client will not solicit for employment or as an independent contractor any person employed by MRP if such person was involved directly or indirectly in the performance of the Services. This provision shall not prohibit the hiring of any person who responded to general solicitations, including but not limited to, job postings published in newspapers, trade publications or on websites that did not target that person directly.

No Party to this engagement letter may assign or transfer this engagement letter, or any rights, obligations, claims or proceeds from claims arising under it, without the prior written consent of the other Parties, and any assignment without such consent shall be void and invalid. If any provision of this engagement letter is found to be unenforceable, the remainder of this engagement letter shall be enforced to the extent permitted by law. If MRP performs any of the

Services prior to both parties executing this engagement letter, this engagement letter shall be effective as of the date MRP began the Services. This engagement letter supersedes any prior understandings, proposals or agreements with respect to the Services, and any changes must be agreed to in writing through an amendment to this letter or a change order.

By entering into this engagement letter the Client is binding its subsidiaries and controlled affiliates to the terms hereof.

[Attached Scope of Work]

Middle River Power Scope for FES – December 20, 2018

Introduction

Middle River Power, LLC (“MRP”) is a private equity sponsored asset management platform focused on US power generation assets. MRP currently manages ~2,000 MW of natural gas, coal, geothermal and solar power generation facilities across the US. MRP has a deep bench of power industry veterans with expertise in the acquisition, development, operations, management, financing and economic optimization of energy assets. We pride ourselves in having an operations-centric management team that takes an active, hands-on approach and partner closely with plant personnel and other key stakeholders and bring strong relationships with experienced industry contractors, advisors and consultants.

In July of 2018, MRP was engaged to evaluate the FES Fossil business plan in support of a broad plan of reorganization to be delivered as part of the broader restructuring process. Our initial assessment focused on four key areas, framing the context, risks, and opportunities for the future business plan for FES Fossil Generation: Environmental, Operations and Maintenance, Fuel Supply and Commercial dispatch, SG&A and other shared-services support functions.

MRP proposes to continue our engagement but work directly with FES (the Debtor) to implement some of the understand the challenges and opportunities associated with the assets in its portfolio (including Pleasants) as well as review and assess the business plan developed by the management team. The focus would be on the non-nuclear fleet and could also include assessment of synergies with the retail platform.

The proposed scope of MRP’s engagement by the Debtors will include the following:

MRP will provide consulting and advisory services as MRP and FES deem appropriate and feasible in order to advise FES in the course of the bankruptcy case. In providing services to the Ad Hoc Noteholder Group, MRP made various recommendations regarding the FES’s businesses and assets. MRP will work to implement certain recommendations, including working with FES’s management to negotiate fuel supply agreements across the fossil fleet, improving on existing plant business plans, including developing forced outage rate targets and related maintenance and capital spending plans, identifying opportunities to outsource existing shared services functions and implement cost reductions and assisting in the transfer and integration of the Pleasants plant, to the extent the Debtors determine to take ownership of the facility. MRP will also provide services as a declarant in making factual statements in motions in connection with the Pleasants plant and other of FES’s assets.

Support Needs and Costs

To accomplish these objectives, we will need continued access and collaboration with the FES management team, plant management, and corporate support personnel. We may also require access to outside consultants and contractors who play key roles in operations, maintenance and assessments of the plants.

We would continue regular site visits to all the facilities to continue to work collaboratively with the plant managers and FES / FE leadership team. We would also expect continued access to a data room,

responsiveness to future data requests and general support from FES/FE and their advisors to accomplish the evaluation.

MRP will continue to prepare a combination of written diligence assessments, management business plan critiques, presentations to FES and their advisors, and other key stakeholders in the restructuring process and their advisors as required. MRP would also anticipate providing an Asset Management proposal to execute on the selected strategy, if applicable. Feedback and findings would be presented regular update calls.

MRP would execute on the extended scope of the engagement for a fee of \$300,000 per month commencing on November 1, 2018. Middle River's engagement will be for an initial minimum term of 90 days, commencing with November 1, 2018, and thereafter may be terminated by FES upon 30 days advance written notice. MRP will continue to pass through any additional third party fees (such as environmental and fuel supply consultants) and out of pocket travel expenses.

We look forward to an opportunity to work with the FES, the creditors and other key stakeholders on this engagement.

Sincerely,

A handwritten signature in black ink that reads "Mark Kubow".

EXHIBIT 3

Middle River's Connections with Potential Parties in Interest

Middle River serves as an independently contracted asset manager to companies which own certain power generation assets (such entities, herein "Clients"). Middle River has not been engaged to provide asset management or other services by any of the Potential Parties in Interest other than the certain engagements by affiliates of Avenue disclosed in the Declaration. However, in the interest of full disclosure certain of MRP's Clients have contractual relationships with Potential Parties in Interest.
